2024 IMPACT REPORT

DEAR SUPPORTERS,

As I reflect on 2024, my heart is overflowing with gratitude for you—our partners, donors, and volunteers—who have walked with us to make a real difference in Tucson and beyond. Your steadfast support of Zion City Care Center has empowered us to extend love, care, and practical help to those facing some of life's toughest challenges.

Together, we've extended vital aid to individuals and families grappling with poverty, hunger, and homelessness. Your generosity helped to bring hope through our life-changing programs. The stories of transformation we've witnessed this year are incredible, and they're only possible because of your generosity and belief in our mission.

Looking ahead, I'm excited to see how God continues to use Zion City Care Center as a beacon of hope and healing in our community. Let's keep building a city where every individual feels seen, loved, and supported.

Thank you for being part of this journey. Your kindness is a light that brightens lives and restores hope every day.

In a world where time is often equated with money, the value of volunteerism cannot be overstated. Recently, a study conducted by the Independent Sector and the Do Good Institute at the University of Maryland, revealed the value of a volunteer hour in Arizona for 2023 was \$32.07 in 2023, an 6.4% increase from 2022. This highlights the growing recognition of the crucial role volunteers play in our communities and the economy. (dogood.umd.edu & independentsector.org)

VOLUNTEERS ARE
OUR GREATEST ASSET

THANK YOU VOLUNTEERS!

Exceptional, compassionate, and dedicated—these are just a few words to describe the amazing volunteers at Zion City Care Center. In 2024, you gave over 21,620 hours of your time, making it possible to serve our community with love, dignity, and practical support.

Our volunteers come from all walks of life, bringing their unique talents to meet the needs of those we serve. They sorted and distributed clothing, stocked food and hygiene essentials, provided counseling and medical care, visited prisons to offer hope, and helped behind the scenes with administrative tasks. Their dedication kept our programs running smoothly, ensuring every guest was met with the care and resources they needed.

Without their hard work, none of this would be possible. Their commitment is the foundation of everything we do, and their impact can be seen in the lives transformed by our programs.

We invite you to join this incredible team of volunteers! Whether you're gifted in serving others, organizing, counseling, providing medical care, leading, or simply offering a kind word, there's a place for you at Zion City Care Center. Together, we can make an even greater difference.

This past year has been one of incredible growth, compassion, and hope through Zion City Care Center programs. Each day, I'm humbled to see the impact we're making together—serving those who need it most with faith-filled action and love.

As a newcomer to the nonprofit world, transitioning from decades in corporate leadership, I've been inspired by the heart and purpose that drive this work. My prayer is that Zion City Care Center continues to be a place where lives are rebuilt, hope is renewed, and God's love is made tangible.
